

February 1, 2022

To: Potential Sponsor of 2022 High School Coaches Invitational Nip It Golf Tournament

The beautiful game of golf is often not a sport that the youth in our community have the opportunity to experience. The high school golf programs in East Texas receive very little appreciation and funding. Nip It Indoor Golf Center in Longview, TX aims to elevate the sport of golf by encouraging high school athletes to participate in their high school golf programs by providing these programs with resources necessary to train successful athletes.

Nip It Golf will host a fundraiser golf tournament on **Saturday, February 19, 2022** benefiting the high school golf programs in the East Texas community. All area high school golf coaches are invited to compete on behalf of their school golf program to earn funds to spend on equipment, uniforms and sport associated fees for their student athletes. Entry fees for the participating coaches are waived to encourage participation and all funds distributed will be courtesy of the event sponsors.

Nip it Golf is located on Loop 281 in Longview and will celebrate 3 years in business this July. Nip It Golf is a proud partner and supporter of many community activities in Longview and is honored to host this tournament to support local high school golf students.

Funds collected from community sponsors will be distributed equally to each school to support their golf programs. Your generous support of this event directly benefits the high school golf athletes in East Texas.

Thank you for supporting the beautiful game of golf and the youth in this community!
